

HVAC, Plumbing and General Industrial Products

FH LINE CARD

Pumps, Pumping Systems and Hydronic Accessories –

Circulators, Pumps (Inline, End Suction, Split Case, Boiler Feed, Vertical Turbine, Sump, Sewage Ejector), Air Elimination Systems, Expansion Tanks, Pump Projection Products, Packaged Pressure Booster & Variable Speed Pumping.

Boilers–

High Efficiency Copper Tube Boilers & Water Heaters, Stainless Steel Boilers, High Efficiency Wall Hung Boilers & Water Heaters, Electric

Heat Transfer Products–

Heat Exchangers (Shell and Tube, Plate and Frame, Brazed, Refrigerant Condensers & Evaporators), Refrigerant Desuperheaters, Heating and Cooling Coils, Fluid Coolers, Cooling Towers, Evaporative Coolers, Fan Coil Units, Radiant In-Floor Systems and Accessories.

Steam and Condensate Handling Products–

Condensate Pumps, Boiler Feeds Pumps, Pressure Motive Pumps, Vacuum Pumps, Dearators, Pressure & Temperature Regulators, Steam Traps, Strainers, Flash Tanks, Steam Accessories, Pressurized Cleaning Systems.

HVAC, Plumbing and General Industrial Products Continued

Vibration Control and Pipe Motion Control Products—

Vibration Isolators, Spring Roof Curbs, Flexible Pipe Connectors, Flexible Metal Hose, Seismic Isolation, Expansion Joints, Piping Ball Joints, Pipe Guides, Pipe Anchors.

Commercial/Industrial Water Heaters—

Semi Instantaneous and Storage Type Water Heaters .

Water Quality and Filtration Products—

Centrifugal Separators, Disc Filters, Screen Filters, Sand Filters, Transfer Valves, Strainers.

Controls and Instrumentation—

Control Valves, Constant Flow Regulators, Balancing Valves, Boiler Controls, Zone Control Products, Flow & Level Switches, Radiant Control Products, Flow Meters, Thermometers and Gauges, P/T Plugs.

Pressure Vessels and Tanks—

Heat Transfer Products—

Heat Exchangers (Shell and Tube, Plate and Frame, Brazed, Spiral, Heating and Cooling Coils, Fin-Fan Units), Steam Condensers, Heat Exchanger Repair, Electric Heaters.

Boiler Products

Economizers and Stack Heat Recovery—

Stack Economizers, Condensing Heat Recovery Systems.

Boiler Room Accessories—

Combustion Gas Analyzers, chimneys and venting

Metal and Fabric Expansion Joints—

Motor Control Products—

Motor Starters, Contactors, Variable Frequency Drives, VFD Bypass Systems, VFD Transfer Switches, Custom Control Panels.
